

Technical Management Institute

A Condensed Skills Program for Managers of a Technical Workforce

October 10-13, 2017
WEST LAFAYETTE, IN

Do you work in a technical field? Do you manage technical employees? Then Purdue University's Technical Management Institute is for you. Become a more effective project manager and supervisor in this professional development program offered by the College of Engineering and Krannert School of Management.

USEFUL

TMI provides content immediately applicable to your job. Courses include Business Analysis, Leadership, Program and Project Management, Strategy, and more.

EFFICIENT

Gain a wealth of knowledge and skills ideal for technical managers in just four days. TMI is held Tuesday through Friday.

IMPACTFUL

Learn skills to improve your ROI and become a more strategic, lean, results-oriented, industrious team manager and technical supervisor. Gain new ideas from networking with fellow participants in a variety of professions.

EXTENSIVE

Technical Management Institute courses help managers understand the management of business costs and the dynamics of cross-functional project management.

Registration Rates and Team Enrollment

The registration fee for the program is \$2,295 per person. Special pricing is available for Purdue alumni, staff, and IEEE members. If you are interested in enrolling a team or group, please contact John Wellman, Educational Program Manager, Engineering Professional Education at jmw@purdue.edu or (765) 494-3688.
